

# Mid-Century Modern Alexander

## 390 E Laurel Circle Palm Springs

This home is a fixer but there are a lot of great features such as sandblasted and beamed ceilings and a large granite kitchen. Nice location on a cul-de-sack in the middle of Racquet club Estates. Built by the Alexander Company the home was long ago added onto with a family room (formally breezeway) and a 2nd master suite with bath and separate entrance (formally a carport or garage). With some dedication and loving care, this home can also be a very special modern with rear swimming pool. Original wood & beam ceilings still intact. Kitchen has been renovated and offers granite tile counters and stainless appliances. Pool yard needs work but there is a lot of potential here. Please submit all offers.
