Pride of workmanship shows in this home remodeled by a custom cabinetmaker. The very large living room features a beautiful flagstone fireplace. The new kitchen is a chef's delight with island gas cooktop, exhaust hood and double ovens. Slab granite counters sit on an abundance of custom cabinets. You will never want for counter or cabinet space in this house! The large adjacent dining area sports a built-in entertainment center.

The huge outdoor space can be enjoyed from the covered patio with misting system or the large pool with raised spa. And the mountain view couldn't be better.
